

FALL 2009 ADVISING INFORMATION FOR SCHOOL OF ARTS AND SCIENCES STUDENTS

1. **Closed Class Permits:** (Over Class Capacity Seat Releases) See the Chair or director of the department in which the course is offered.
2. **English:** All students must complete two English composition courses (6 credits) with a grade of C or better in both courses.
3. **Mathematics:** All students must complete 6 credits of mathematics with a grade of C or better in at least one course.
4. **Cultural Studies Perspective:** All students must complete one course in CUL (labeled "C" or "CA") before graduation.
5. **Humanities Requirements:** Under the Humanities area, students are *required* to complete: 3 credit hours in Literature, 3 credit hours in the arts (Aesthetic Perspective – ART, FILM, MUS, THTR), and 3 credit hours in PH (Ethical Perspective). An additional 3 credit hours of Humanities is required and may be chosen from among ART, CUL, ENGL, FILM, FR, MUS, PH, SPAN, and THTR.
6. **Behavioral/Social Science Requirements:** Under the Behavioral/Social Science area, students are required to complete 12 credit hours of coursework as follows: 3 credit hours in HIST (Historical Perspective), 3 credit hours in EC or POSC, and 3 credit hours in PSY or SO. *Note:* PSY 207 does not count in fulfilling this requirement. An additional 3 credit hours may chosen from among COMM (205, 324, 326, 348), CJ, EC, ED, GEOG, HIST, INST, POSC, PSY, SO, SW.
7. **Arts:** All students who entered in the fall of 1998, and subsequently, must take a course in the arts (appreciation, history or practice). These courses include ART, FILM, MUS, and THTR.
8. **Natural Science Perspective:** All students must take two natural science courses with laboratories or two sequential courses in natural science, the first of which has a laboratory.
9. **Repeating Courses:** Any student who wishes to repeat a course in which a grade of C- or lower was earned should complete a form for SAS.
10. **Independent Study:** A student must complete a form from the Dean's office and have it signed by the faculty member who is directing the study, the Chair of the Department, the student's advisor, and by the Assistant Dean. Students with grade point averages of 3.0 or better, overall or in the major, may take up to 6 credits in their junior/senior years.
11. **Internships:** A student wanting to take *an* internship must first register with the internship office at Career and Human Resources in the Campus Center and obtain the approval of the advisor and the department chair of the major. A student may take a total of 6 credits in the junior/senior years and must have a minimum grade point average of 2.5 overall and in the major, except where an internship is required in the major or with special permission of the Assistant Dean.
12. **Learning Beyond the Classroom:** All students who entered in the fall of 2003, and subsequently, must fulfill two different LBC experiences, one for every two years of full-time study (*LBC 2XX, LBC 4XX*).
13. **Integrated Liberal and Professional Requirement:** All students who entered in the fall of 2003, and subsequently, must complete one ILP course. The integrated liberal and professional perspective makes clear the connection between the goals of liberal and professional education.
